

The Emergency Management Committee would like to request that you distribute the attached State Wide Mutual Assistance Agreement to all of your neighboring communities that may not receive our emails.

We are also looking for volunteers that could assist in explaining the Mutual Aid and how it can be beneficial to their community. They would also track who in their area has signed the agreements, collect equipment lists and be a liaison between the community, the Emergency Management Committee, Wisconsin Emergency Management and the Department of Military Affairs for questions and advice. Our goal is to have all of the equipment listed on E-Sponder so everyone can view where and what equipment is available quickly during an incident.

We are looking for at least (1) one representative from each of the Emergency Management regions (see next page) to be an administrator for their region. If you are interested in helping us please contact one of the following committee representatives:

Bruce Slagoski
Chair of EM Committee
608-364-2929 ext 7008

Jim Hessling
Past Chair of EM Committee
608-839-5813

Chris Walsh
EM Committee
608-364-2918

Thank you for any assistance you can give us. Without your help we can not make this work to its full potential.

Sincerely,

Bruce Slagoski
